Compatible with **SUNMI PAYMENT SOLUTION**

6.75" HD touchscreen, ultimate experience.

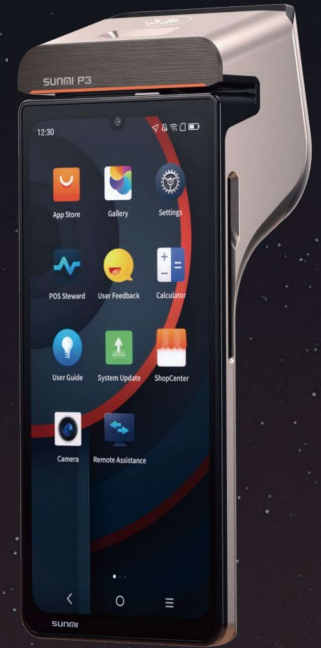

P3 adopts a metallic color design with a 6.75" HD display. The customer-facing NFC reader offers better tap-and-go experience.

Slim yet powerful, for seamless payments.

A quad-core processor and 2GB + 32GB memory are available to offer always smooth experience. Cutting edge communication technologies like eSIM are supported for quick payment.

Equipped with a one-stop payment solution to ensure worry-free transaction.

SUNMI OS: designed for payment and PCI & EMV certified security.
TMS: deployed on a private cloud to securely manage your devices.
RKL: inject or update keys with lower operating costs.
Remote Assistance: remote troubleshooting for better service experience.

All-rounder, in all payment scenarios.

Scan, tap, chip, swipe or customers can pay the way they like.
